2. Background

On 9 April 2026, Nova Ljubljanska banka d.d., Ljubljana, a joint stock corporation incorporated under the laws of Slovenia, registered with the Slovenian company register (*PRS*) under number 5860571000, with its corporate seat in Ljubljana and its business address at Trg republike 2, 1000 Ljubljana, Slovenia, published its intention to launch a voluntary public takeover offer aimed at acquiring control to the shareholders of Addiko Bank AG, a stock corporation incorporated under Austrian law, with its corporate seat in Vienna and its business address at Canetti Tower, Canettistraße 5/OG 12, 1100 Vienna, Austria, registered with the company register of the Commercial Court (*Handelsgericht*) in Vienna under FN 350921 k, regarding their respective Addiko Shares. The Offer Document was published on 13 May 2026.

The Offer Document is available as a brochure at the Target Company and at the Payment and Settlement Agent for free. The Offer Document was further published on the websites of the Bidder (www.nlb.si), the Target Company (www.addiko.at) and the ATC (www.takeover.at). On 13 May 2026, a reference to the publication of the Offer Document was published on the EVI (*Elektronische Verlautbarungs- und Informationsplattform des Bundes*) website (www.evi.gv.at) pursuant to Section 11 paragraph 1a ATA.

On 1 June 2026, the Bidder announced its intention to improve the Original Offer Price to EUR 33.50 per Addiko Share *cum dividend* for the financial year 2025 (and, for the avoidance of doubt, including any other dividend declared by the Target Company after the announcement of the Offer) ("**Initial Improved Offer Price**"). The amendment to the Offer Document was published on 11 June 2026.

3. Further Improvement of the Offer Price

3.1 Further Improved Offer Price

The Bidder hereby improves the Offer again pursuant to Section 15 ATA and increases the Initial Improved Offer Price by EUR 3.50 (Euro three and fifty cents) (i.e. by 10.45% (ten point forty-five percent)) to EUR 37.00 (Euro thirty-seven) per Addiko Share *cum dividend* for the financial year 2025 (and, for the avoidance of doubt, including any other dividend declared by the Target Company after the announcement of the Offer) (the "**Further Improved Offer Price**").

Cum dividend means that the Further Improved Offer Price per Addiko Share will be reduced by the amount of any dividend declared per Addiko Share between the announcement of the Offer and Settlement, provided that Settlement of the Offer occurs after the relevant record date for such dividend. Example: If the Target Company's shareholders' meeting resolves upon a dividend of EUR 1.00 (Euro one) per Share to be paid to Addiko Shareholders, with the relevant record date being prior to the Settlement, each Shareholder who tenders Offer Shares would receive a Further Improved Offer Price reduced by EUR 1.00 (Euro one), i.e., EUR 36.00 (Euro thirty-six) per Offer Share.

This document is a non-binding English language convenience translation. The only binding document is the German language further amendment to the offer document published on 24. June 2026.

Note: The Target Company has suspended dividend distributions for the financial years 2024 and 2025.

3.2 Further Improved Offer Price in Relation to Historic Prices

The Further Improved Offer Price corresponds to the following premia:

- 39.6% (thirty-nine point six percent) compared to the closing share price of EUR 26.50 (Euro twenty-six and fifty Cents) as of 15 June 2026 as the last Trading Day prior to the announcement of the intention to further increase the Offer Price;
- 41.4% (forty-one point four percent) compared to the volume-weighted average share price in the six months up to 15 June 2026 of EUR 26.17 (Euro twenty-six and seventeen Cents);
- **39.6% (thirty-nine point six percent) compared to the offer price of EUR 26.50 (Euro twenty-six and fifty Cents) per Addiko Share in the competing offer launched by Raiffeisen Bank International AG on 14 May 2026.**

The following table sets forth the VWAP for the last 3 (three), 6 (six), 12 (twelve), 24 (twenty-four) and 48 (forty-eight) calendar months before the date of announcement of the intention to launch the Offer (9 April 2026):

		3 Monate ¹⁾	6 Monate ²⁾	12 Monate ³⁾	24 Monate ⁴⁾	48 Monate ⁵⁾
08 April 2026	VWAP	EUR 25.71	EUR 23.05	EUR 21.80	EUR 19.76	EUR 15.96

Shares into this further improved voluntary public takeover offer aimed at acquiring control launched by Nova Ljubljanska banka d.d., Ljubljana.

5. Equal Treatment

Pursuant to Section 15 paragraph 3 ATA, this further amendment to the Offer also applies to all Shareholders who have already declared their acceptance of the Offer at the Original Offer Price or at the Initial Improved Offer Price, unless they exercise their right to object pursuant to Section 15 paragraph 3 ATA. A Shareholder must submit an objection to his Custodian Bank in analogous application of section 5.3 of the Offer Document. The respective Custodian Bank is required to forward the objection immediately via the custody chain to OeKB CSD for forwarding to the Payment and Settlement Agent.

6. Further Information

6.1 Financing of the Offer

Based on the Further Improved Offer Price of EUR 37.00 (Euro thirty-seven) per Addiko Share and without taking into account expected transaction and handling costs, the total (cash) financing volume for the further improved Offer amounts to approximately EUR 721.5 million (Euro seven hundred and twenty-one point five million) under the assumption that all Shareholders accept the Offer. The Bidder has sufficient funds and regulatory capital for the financing of the further improved Offer and has ensured that these funds will be available in due time for the full settlement of the further improved Offer.

6.2 Restriction of Publication / Verbreitungsbeschränkung

Other than in compliance with applicable law, the publication, dispatch, distribution, dissemination or making available of (i) this further amendment of the Offer Document, (ii) any summary or other description of the conditions contained in this further amendment of the Offer Document or (iii) other documents connected with the Offer outside of the Republic of Austria or the United States is not permitted. The Bidder does not assume any responsibility for any violation of the above-mentioned provision. In particular, the offer is not made, directly or indirectly, in Australia or Japan, nor may it be accepted in or from Australia or Japan.

This further amendment to the Offer Document does not constitute a solicitation or invitation to offer Addiko Shares in the Target Company in or from any jurisdiction where it is prohibited to make such invitation or solicitation or where it is prohibited to launch an offer by or to certain individuals. The (amended) Offer will neither be approved by an authority outside the Republic of Austria nor has an application for such an approval been filed.

Shareholders who come into possession of the Offer Document, the amended Offer Document or this further amendment thereto outside the Republic of Austria or the United States and/or who wish to accept the (amended) Offer outside the Republic of Austria, or the United States are advised to inform themselves of the relevant

applicable legal provisions and to comply with them. The Bidder does not assume any responsibility in connection with an acceptance of the (amended) Offer from outside the Republic of Austria or the United States.

6.3 Additional Information for Shareholders Domiciled, Resident or Habitually Resident in the United States

The Offer, the amended Offer and the further amendment thereto are a cross-border tender offer that is subject to disclosure and other procedural requirements, including those with respect to settlement procedures and timing of payments contemplated by Austrian Law, which are different from those applicable under U.S. domestic tender offer procedures and law.

Neither the United States Securities and Exchange Commission nor any other securities regulatory authority of any state of the United States has approved or prohibited the Offer, the amended Offer or this further amendment thereto or confirmed the adequacy and completeness of this further amendment to the Offer Document or any other document relating to the Offer. It may be difficult for Shareholders resident, domiciled or habitually resident in the United States to enforce their rights and claims under United States securities laws because both the Target Company and the Bidder are domiciled outside the United States. Shareholders domiciled, resident and habitually resident in the United States may not be able to sue a company domiciled outside the United States or its officers and directors domiciled outside the United States for violation of United States securities law in a court in the United States. Further, difficulties may arise in enforcing judgments of a United States court outside the United States.

To the extent permissible under applicable law or regulation, the Bidder and persons acting on its behalf may, before, during, or after the expiration of the Acceptance Period or the Additional Acceptance Period, respectively, acquire or make arrangements to acquire, directly or indirectly, or enter into derivative transactions with respect to, the shares in the Target Company, outside of the Offer. This also applies to other securities which are directly convertible into, exchangeable for, or exercisable for shares in the Target Company. These purchases may be completed via the stock exchange at market prices or outside the stock exchange in negotiated transactions. Any information about such purchases will be disclosed as required by law or regulation in Austria or any other relevant jurisdiction.
